

Shazam Magic **Bowties**

DIRECTIONS: Print out enough sheets for each guest to have a bowtie (use cardstock if possible). Cut out each bowtie, and write guest's name on the back. Allow guests to decorate with markers, crayons, stickers, glitter, etc.

Cut elastic to length, and tie into loops to fit comfortably around guest's neck. Tape bowtie onto elastic loop.

For added fun, give each guest two bowties, and attach both to opposite ends of the elastic loop. This will allow guest to rotate between two designs.
