

**DIRECTIONS:** Print out one hat, and enough bunnies for each guest to have one. Cut out the bunnies and let guests decorate them with crayons, markers, or stickers (adding guests' names to their bunnies is also a good idea). Place a loop of tape on the back of each bunny, and tape the top hat to the wall.

Blindfold each guest, spin them around once or twice, and direct them toward the wall with their bunny. Whoever attaches their bunny closest to the mouth of the hat is the winner.
